jetStamp® 1025

THE ALL-IN-ONE SOLUTION

The large one: The mobile marking device *jetStamp*® 1025 is the ideal solution for printing on large areas, such as pallets, cardboard or packaging.
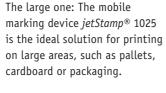

Entirely without cables or a fixed location, the *jetStamp*® 1025 can be used where it is needed. Integrated capping to seal the print head keeps ink from drying out even with longer breaks between uses.

The *jetStamp*® 1025 makes work easier in many ways. The integrated display shows the set print image easily legible at all times.

The print images can be transferred to the mobile marking device by Bluetooth or USB.

With its integrated multi-triggering, placed both on the side and at the centre of the handle, the device can be handled ergonomically and comfortably.

The *jetStamp*® 1025 prints date, time, texts, numbers, graphics, sequential 1D and 2D codes, multiline imprints

- 100% mobile
- Large imprint area
- Ideal for small and large objects
- Display-guided operation
- Large imprint memory
